## Leadership & Influence Workshop

---

They say that leaders are born, not made. While it is true that some people are born leaders, some leaders are born in the midst of adversity. Often, people who have never had a leadership role will stand up and take the lead when a situation they care about requires it. A simple example is parenting. When a child arrives, many parents discover leadership abilities they never knew existed in order to guide and protect their offspring.

The **Leadership and Influence Workshop**, will help you build the confidence it takes to become a genuine leader. It is never easy to take the lead, as you will need to make decisions and face challenges, but it can become natural and rewarding.
